Queensland Electricians Consumer Protection

Licensed Electrician(s) License Number(s)

Stephen Rodda 149026

The above mentioned insurance meets the requirements of Section 51 of the Electrical Safety Regulation 2013.

A broadform contract of Public & Products Liability insurance which meets both of the following requirements:

1. Limit of Indemnity: at least \$5,000,000 (five million dollars)
2. Consumer Protection Liability: at least \$50,000 (fifty thousand dollars)

The insurer(CGU) acknowledges and agrees that the policy noted above complies with the requirements of a contract of insurance approved by the chief executive.

Endorsements

Engineering, Building and Construction Trades

1. an Excess of \$500 shall apply to each Occurrence of Damage to Property.
2. We will not indemnify You against liability:
 - a. in connection with bridges;
 - b. in connection with the demolition of buildings or structures exceeding ten metres in height;
 - c. in connection with blasting; or
 - d. under any legislation that purports to protect a purchaser of building works in respect of the consequences of faults or defects in such works, unless such liability would have attached to You notwithstanding that legislation.

Underground Services

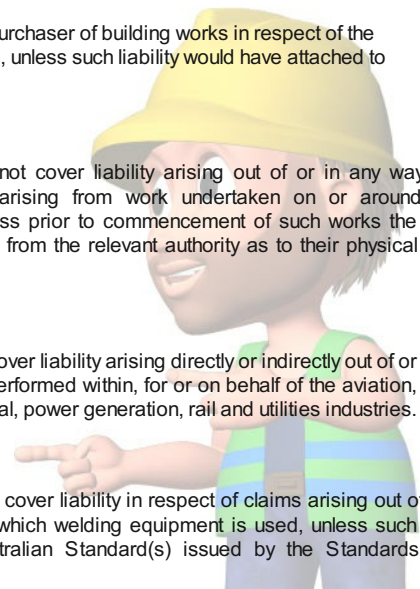

The Public and Products Liability Cover Section does not cover liability arising out of or in any way connected with Personal Injury or Property Damage arising from work undertaken on or around underground services, pipes and cables of any kind unless prior to commencement of such works the Insured obtained and relied upon advice in printable form from the relevant authority as to their physical location of such services, pipes and cables.

Restricted Industries Exclusion

The Public and Products Liability Cover Section does not cover liability arising directly or indirectly out of or caused by or in connection with Your Business activities performed within, for or on behalf of the aviation, defence, marine, mining, oil & gas production, petrochemical, power generation, rail and utilities industries.

Welding Condition

The Public and Products Liability Cover Section does not cover liability in respect of claims arising out of grinding, cutting, heating, welding or similar operation in which welding equipment is used, unless such activity is conducted in strict compliance with the Australian Standard(s) issued by the Standards Association of Australia.

Queensland Electricians Consumer Protection Cover

Full endorsement text to apply - refer separate document

This is to certify cover has been granted in terms of the Company's Standard Policy, a copy of which is available on request. This certificate is not a substitute for the Policy of Insurance issued to you. The Policy, not this certificate, details your rights and obligations and the extent of your insurance cover.
